AFTER INVESTIGATION IT COULD BE DETERMINED THAT THE FOLLOWING WEAPONS WERE USED OR FOUND:

- 2X MRUD
- 1X HANDGRENADE SMOKE, CANADIAN
- 9X LAUNCHTUBE M80
- 3X ROCKET TAILPIECE
- 2X LAUNCHTUBE M79
- 1X ROCKETLAUNCHER, UNKOWN TYPE, BORE 92MM
- 6X FUZE FOR 60MM MORTARGRENADE
- 25 FUZE CAVITY CAPS FOR 60MM MORTARGRENADE
- SCORES OF SA CARTRIDGES, 7.62X54 AND 5.56MM

- 1) THE MRUD'S WERE POSITIONED NEAR THE ENTRANCE OF A MINE TUNNEL WHICH RUNS EAST-WEST FROM GRID CP 67268647 TO GRID 53798665. THEY WERE DESTROYED BY OUR RCMP DISPOSAL TEAM. DIFFERENCE BETWEEN THE DETONATIONS AND SHAPE OF THE CRATERS INDICATES THAT ONE OF THE MRUD'S WAS BOOBYTRAPPED WITH ANOTHER EXPLOSIVE HIDDEN UNDERNEATH IT.
- 2) THE LAUNCHTUBES WERE FOUND ON TWO LOCATIONS, GRID CP 63468153 AND GRID CP 63758691
- 3) THE MORTAR RELATED ITEMS WERE FOUND NEAR THE ENTRANCE OF THE MINE. AN IMPRINT OF A BASEPLATE WAS ALSO FOUND AT THIS LOCATION.

RECONSTRUCTION OF EVENTS.

A GROUP OF UNKNOWN STRENGTH SET UP FIRING POSITIONS ON TWO LOCATIONS (WHERE THE LAUNCHTUBES WERE FOUND). THEY FIRED THEIR PROJECTILES SIMULTANEOUSLY INTO SREBRENICA. ONE MAN WAS INJURED WHEN A PROJECTILE STRUCK HIS HOUSE. AFTER THE ATTACK PERSONNEL OF THE FIRING TEAMS RETREATED TO THE MINE ENTRANCE UNDER COVER OF MORTAR FIRE. NINETEEN GRENADES WERE FIRED FROM THE VICINITY OF THE MINE ENTRANCE. IT IS NOT SURE WHETHER ANOTHER MORTAR FROM OUTSIDE THE ENCLAVE DELIVERED SUPPORTING FIRE. TWO PEOPLE FLED FROM THEIR HOUSE IN VITLOVAC NEAR THE MINE ENTRANCE IN THE DIRECTION OF SREBRENICA. THEY PROBABLY SURPRISED SOME OF THE PEOPLE OF THE RAID GROUP WHO WERE WAITING NEAR THE MINE ENTRANCE. THEY WERE SHOT WITH AN M79, KILLING THE WOMAN AND INJURING THE MAN. THE RAID GROUP PROBABLY RETREATED THROUGH THE MINE. COMMENT: IT IS MOST LIKELY, BUT NOT CONFIRMED THEY WERE BSA. BIH DID NOT NOTICE ANY ACTION, NOR DID DUTCHBAT

AFTER EVALUATION OF THE FACTS WE URGE YOU TO BE VERY CAREFUL ABOUT WHO WAS RESPONSIBLE FOR THIS INCIDENT. THERE IS A POSSIBILITY BIH MADE UP THIS ATTACK TO INFLUENCE OUR OPINION ABOUT THE SITUATION IN THE ENCLAVE AND TO INFLUENCE PUBLIC OPINION.

CONSIDERING THE CIRCUMSTANCES, THIS OBVIOUSLY WELL PLANNED ATTACK SURPRISINGLY CAUSED LITTLE DAMAGE. MAYBE ON PURPOSE.

ASSESSMENT. EVENTS LIKE THE ONE THAT OCCURRED LAST NIGHT CANNOT BE FORETOLD. THEREFORE OUR ASSESSMENT FOR THE NEXT 24 HRS IS THAT THE SITUATION WILL NOT CHANGE SIGNIFICANTLY.
